How to Authenticate This Official Transcript
From the Towson University

This official transcript has been transmitted electronically to the recipient, and is intended solely for use by that recipient. If you are not the intended recipient, please notify the Registrar’s Office at Towson University. It is not permissible to replicate this document or forward it to any person or organization other than the identified recipient. Release of this record or disclosure of its contents to any third party without written consent of the record owner is prohibited.

This official transcript has been digitally signed and therefore contains special characteristics. If this document has been issued by Towson University, and for optimal results, we recommend that this document is viewed with the latest version of Adobe® Acrobat or Adobe® Reader; it will reveal a digital certificate that has been applied to the transcript. This digital certificate will appear in a pop-up screen or status bar on the document, display a blue ribbon, and declare that the document was certified by Towson University with a valid certificate issued by GlobalSign CA for Adobe®. This document certification can be validated by clicking on the Signature Properties of the document.

The blue ribbon symbol is your assurance that the digital certificate is valid, the document is authentic, and the contents of the transcript have not been altered.

If the transcript does not display a valid certification and signature message, reject this transcript immediately. An invalid digital certificate display means either the digital signature is not authentic, or the document has been altered. The digital signature can also be revoked by the registrar’s Office if there is cause, and digital signatures can expire. A document with an invalid digital signature display should be rejected.

Lastly, one other possible message, Author Unknown, can have two possible meanings: The certificate is a self-signed certificate or has been issued by an unknown or untrusted certificate authority and therefore has not been trusted, or the revocation check could not complete. If you receive this message make sure you are properly connected to the internet. If you have a connection and you still cannot validate the digital certificate on-line, reject this document.

The transcript key and guide to transcript evaluation is the last page of this document.

TO VERIFY: TRANSLUCENT GLOBE ICONS MUST BE VISIBLE WHEN HELD TOWARD A LIGHT SOURCE
ACCREDITATION
Towson University was founded in 1866 and is accredited by the Middle States Association of Colleges and Schools, the Maryland Higher Education Commission, and numerous academic and professional agencies.

COURSE NUMBERING SYSTEM
Beginning in September, 1990, courses numbered:
- 100-299 lower level undergraduate, primarily freshmen and sophomore level courses
- 300-499 upper level undergraduate, primarily junior and senior level courses
- 500-599 graduate level courses which can be taken by undergraduate or post-baccalaureate students
- 600-799 graduate level courses available to admitted post-baccalaureate students
- 800-899 graduate research and theses courses
- 900-999 doctoral theses and dissertation courses

Courses numbered 001-099 were used as physical education, non-credit or Minimester courses prior to September, 1990. Minimester courses were identified by the suffix M. Prior to 1987, some courses were identified as graduate level by a prefix of G.

ACADEMIC CALENDAR
TU operates on a semester calendar with a three-week Minimester in January and multiple summer sessions.

GRADING
Earned units/credits include successfully completed TU courses and transfer courses. At TU, grades are not transferred from other institutions, and are not calculated in a student’s grade point average (GPA), except in the case of inter-institutional agreements as noted on the record. The undergraduate plus/minus grading system (4.00 scale, semester system) was implemented in fall 1998. The graduate plus/minus grading system (4.00 scale, semester system) was implemented in fall 2010 and is limited to A- and B+ grading. However, some approved joint university graduate programs have full plus/minus grading (A- through C+). Graded undergraduate courses appearing on a graduate record do not calculate in earned units or GPA. The same applies to graduate courses appearing on an undergraduate record.

* Work equivalent to a "C" or higher

Developmental courses are also excluded from calculation of GPA and are noted with "X" after the grade.

COMPUTATION OF AVERAGE
A student’s grade point average is determined by dividing total quality/grade points by calculable units (units taken toward GPA). For example: 60 grade points ÷ 24 calculable units = 2.50 GPA.

REPEATED COURSES
Students may repeat a course once and have the higher of the two grades calculated in the academic totals. The lower grade is excluded from calculation. Prior to Summer 2003, the letter “R” precedes the excluded grade. A notation indicating exclusion or inclusion is printed on the record. Third or subsequent attempts of courses require permission and will be noted as either excluded or included on the record.

ACADEMIC ACTIONS
are noted on the academic record; however, disciplinary actions are not.

NON-TRADITIONAL UNITS/CREDITS
CLEP exams, portfolio reviews, auditions, and other types of prior learning, as well as military units, are noted on the record. International exchange units earned through approved programs are identified by location and TU equivalent courses.

GRADUATION INFORMATION
Undergraduate students must earn a minimum of 120 units and a 2.00 cumulative GPA to earn a baccalaureate degree. Graduate students must earn a minimum of 30 units and a 3.00 cumulative GPA to earn a master’s degree. Specific unit requirements vary from program to program.

HONORS
Latin Honors are noted below the undergraduate degree awarded. Graduate students do not receive Latin Honors.

AUTHENTICATION OF RECORD
Official paper transcripts bear the signature of the Registrar. The background of the transcript is blue and the preprinted lettering is in blue ink. The Registrar’s signature is in black ink. A black and white transcript is not official.

Electronic transcripts display a valid digital certificate. For additional information regarding electronic transcript authenticity, please refer to the cover sheet accompanying the transmission.

Further authentication can be obtained by emailing the Registrar’s Office at RecordsandRegistration@towson.edu or by calling 410-704-2096.
